

**Memorandum of Understanding  
between  
Warsaw University of Technology, Poland  
and  
Kyiv National University of Construction and Architecture, Ukraine**

---

Based on the previous cooperation and mutual wish to establish the fruitful cooperation both Institutions hereby confirm their wish to enter into this Memorandum of Understanding (MoU) on education and research collaboration. The Institutions agree to develop the joint activities to address issues of mutual interest, designed to foster and promote collaboration in the field of education, research and capacity through the following activities:

**1. Area of cooperation**

The area of cooperation includes research and academic activities or programs such as:

1. Joint research collaborations, publication of scientific papers and educational materials
2. Joint courses, undergraduate, graduate and PhD student mobility such as internships, study abroad, exchange and fellowships (A Student Exchange Agreement would be required)
3. Exchange of faculty, teachers and academic staff
4. Participation in and co-hosting of lectures, meetings, seminars, symposia and conferences
5. Exchange of materials, publications and other information
6. Joint application for funding for collaborative projects from relevant funding agencies
7. Collaboration in other areas that foster research and educational cooperation

Terms of each activity or program, including activity and budget shall be discussed and agreed upon in writing by both parties prior to the initiation of the particular program or activity. All terms shall be negotiated on a mutual basis and documented in a project or program agreement. Such joint programs and resulting agreements shall specify the specific responsibilities and obligations of each party and agreements must be approved and signed by authorized representatives of each party to this Memorandum.

**2. Principles**

The implementation of this MOU will be in accordance with the policies on international cooperation of the Warsaw University of Technology and relevant policies and regulations of the Kyiv National University of Construction and Architecture. Participants under this MOU will be selected on the basis of merit without regard to race, national or ethnic origin. Warsaw University of Technology and Kyiv National University of Construction and Architecture will each accept the participants selected by the other party if mutually acceptable academic

and/or professional qualifications and standards are met. All participants will be treated in the same non-discriminatory manner in carrying out the provisions of the MoU, subject to the provisions of the policies and requirements of each of the Institutions.

### 3. Other arrangements

Visiting participants will be responsible for their own personal expenses incurred at the host institutions, including visa, housing, travel, meals, medical and health insurance, books and stationery required. The host Institution cannot be responsible for any damages suffered or caused by a visiting participant. The host Institution will make reasonable effort to provide the accommodation to the participants. Visiting participants will observe the institutional policies, procedures and regulations of the host Institution.

### 4. Terms of Cooperation

This Memorandum of Understanding will remain in force for a period of five (5) years. Any amendment to the Memorandum of Understanding will require written approval of each of the Parties. After the initial five year period, this Memorandum of Understanding may be renewed by mutual consent in writing. Either Party reserves the right to terminate this Memorandum of Understanding upon 6 (six) months' written notice. Any program or activity that has already commenced shall be completed to the best of both Parties' abilities.

This agreement was signed in two identical copies in English, one for each of the Parties.
